

SKIPPERS – DONATED BOATS REQUIRED URGENTLY

Financial & Media Markets Charity Regatta

Dear Skippers

Our regatta this year falls on **Friday 24th October**, held again at MHYC in Mosman.

Our thanks to the skippers who very generously donated their yachts last year and I hope you will consider donating your boat and time again! If you haven't participated before we would love to include you.

40-60 yachts will be competing for the Financial & Media Markets Charity Cup. Last year's event helped the Foundation distribute over \$1.25 million to 21 benefiting charities.

In return for your support you will receive:

- Formal recognition for support on the Regatta Website and all printed literature for the event.
- Event merchandise including polo shirt, sailing cap etc. will be provided to the skipper and crew members.
- A lunch box and water will be provided for all skippers and crew.
- An invitation to the after party BBQ which includes complimentary wine and beer, a beach band, dancing, prize giving, auction and raffle.
- A 'thank you' bottle of rum will be given to each owner who donates a yacht.
- An invitation to our sponsors thank you lunch held in March 2015 at The Establishment.

Full details are available on the event website <http://www.asxreutersregatta.com.au/>
