WELCOME TO *The Breeze*

Dear Members,

The 2026/2027 season is about momentum. We look forward to building on the significant works and improvements achieved over the past year to deliver another standout season for Middle Harbour Yacht Club. Our focus remains on refining our sailing programs, revitalising and growing our fleets, and continuing to elevate our member amenities and marina facilities.

Our membership continues to grow, and this success is built on the foundation laid by our committees and volunteers. While we thrive on this support, there is always room for new energy. Whether you are interested in learning race management on the water or helping ashore, getting involved is a rewarding way to meet people and truly become part of the MHYC family.

While sailing is at the heart of what we do, our social calendar ensures the vibrancy of our community off the water. Whether you race, cruise, paddle, or motor, the Club is here for you to enjoy.

I am confident we are going to have a fantastic year. I encourage you to join us at the Club, bring your friends, and enjoy the benefits of being part of MHYC.

Happy boating!

THE HOME OF CHAMPIONS

Middle Harbour Yacht Club has had a long and strong association with the Australian Sailing Team.

The Club is home to some of the nation's best sailors, including our Olympic Champions, with multiple debriefing rooms, a kitchen and a chill out zone, with spacious surrounds looking out over the bay. The office is immediately above the Team's storage space, giving Australia's sailing pride and joy everything they need to gain their best results.

The Australian Sailing Team has a proud record of achievement, especially in recent years. At the Paris Olympics, the Australian Sailing Team continued its rich history at the Olympics by bringing home gold and silver medals.

In 2028, our sailors will again be striving for Olympic glory as they go for gold at the upcoming LA Games.

Olympic and World champions along with our stars of the future can all be seen around the club when they're in training.

It's a great privilege for MHYC to have such sailing excellence based in our midst. We thank Australian Sailing for extending and strengthening their link with our club and we look forward to doing whatever we can over the coming years to help the Australian Sailing Team continue its outstanding record of success.

REGATTA

Held each March, the Sydney Harbour Regatta stands as the pinnacle of the Middle Harbour Yacht Club calendar. Beyond our own club, it is widely recognised as NSW's premier yacht racing event and remains one of the largest competitive keelboat regattas in Australia.

Since its inauguration in 1996, the event has grown steadily to become a cornerstone of the sport. Our enduring success stems from a simple philosophy: we listen to the sailors. By paying close attention to the shifting landscape of sailing and prioritising the wishes of competitors, we ensure the regatta delivers the format and quality that sailors want.

The 2026 edition demonstrated the regatta's continued strength, with a fleet of over 160 boats competing across Sydney Harbour and offshore courses. The event is designed to be genuinely inclusive, bringing together a diverse mix of competitors – from enthusiastic club sailors to National and World Champions, and Olympic representatives.

The regatta caters to a wide variety of vessels across multiple divisions. Premier Classes contest high-stakes windward/leeward courses, while Performance Classes tackle scenic and tactical ocean passage courses. We also host a strong lineup of One-Design fleets, including International Etchells, Dragons, Ynglings, J/24s, J70s, J99s, Sydney 38s, and Adams 10s.

What sets the Sydney Harbour Regatta apart is the unique atmosphere ashore.

MHYC offers one of the few venues in Sydney where sailors can step directly from the marina on to the sand. After the racing concludes, the club and beach become the focal point for the fleet. It is a relaxed environment where crews can debrief, enjoy live entertainment, and celebrate the day's results. The setting allows competitors across all divisions to connect, reinforcing the camaraderie that defines our sailing community.

Delivering an event of this magnitude is impossible without our army of volunteers. We are fortunate to have a dedicated team on and off the water, many of whom join us from fellow yacht clubs across Sydney. Their professional approach and commitment are the backbone of the regatta.

We also extend our gratitude to our premium supporters who make this event possible: Nautilus Marine Insurance, Yachting Holidays, Zhik, Kieser, Manly Spirits and Maui Jim.

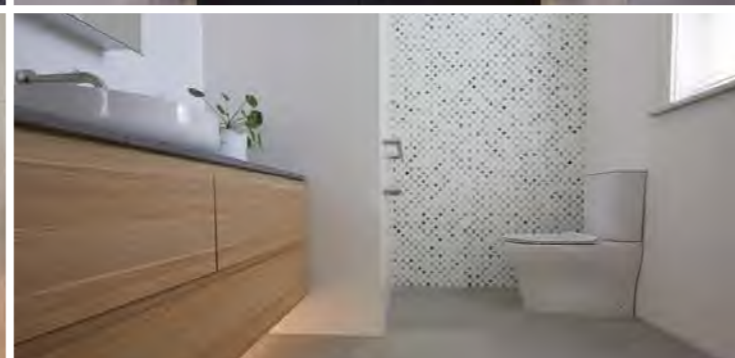

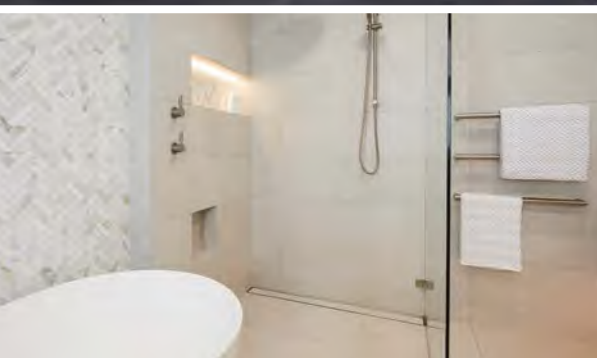

Whether you are a seasoned competitor or new to the regatta scene, we invite you to be part of the action. For the Notice of Race, official entry forms, and the latest news, please visit the dedicated event website.

NAUTILUS MARINE INSURANCE SYDNEY SHORT OCEAN RACING CHAMPIONSHIP

The Sydney Short Ocean Racing Championship is a cornerstone of the Middle Harbour Yacht Club calendar. Held annually over the last weekend in November, the event marks the official beginning of the Sydney regatta season. With a history spanning nearly 50 years, the SSORC is widely regarded as part of the warm-up for crews preparing for the gruelling Sydney to Hobart Yacht Race.

While the event invariably attracts a high-quality line-up of grand prix yachts, it is not reserved solely for the offshore elite. Many keen sailors view the championship as the perfect opportunity to shake off winter rust and fine-tune their teamwork for the summer months racing ahead.

We have refined the regatta format in recent years to align with competitor feedback, ensuring a schedule that balances technical challenge with enjoyment. The event caters to a broad range of vessels, with divisions for Premier Class (IRC and ORCi), Performance Class (PHS), and One Design Classes.

The racing kicks off on Saturday with the 34-nautical mile Passage Race. Taking the fleet up to Lion Island and back to finish within Sydney Harbour, this is the jewel in the crown of the weekend. It presents a significant tactical challenge and forms a key leg of the CYCA Summer Short Offshore Series.

For those who prefer to race within the heads, Saturday also features the legendary Seven Islands Race. This event invites harbour sailors from across Sydney to join the excitement of the regatta without venturing offshore.

Day two demands focus and agility, featuring windward/leeward sprint races on the traditional inshore/offshore courses. These high-intensity races place a premium on boat handling and crew mechanics. A low-point scoring system applies across all races to determine the overall class champions.

The festivities ashore are just as vital as the competition on the water. MHYC comes alive after racing, with crews, families, and friends gathering for the post-race beach party and entertainment. It is the ideal way to celebrate the start of summer sailing.

For the latest news and the Notice of Race, please visit the dedicated website.

CLUB LIFESTYLE AND SOCIAL EVENTS

Community & Lifestyle at MHYC

Middle Harbour Yacht Club offers one of the most accessible waterfront locations in Sydney. We are a hub that balances competitive sailing with a strong social focus, providing a welcoming environment for sailors, paddlers, and non-sailors alike.

Membership & Partners

Our community is diverse. We have active options for sailing racing crews and cruisers, as well as social memberships for those who simply want to enjoy the facilities. We are also proud to house the Sydney Harbour Surf Club (SHSC), creating a vibrant base for paddlers and surf ski enthusiasts right within our precinct. Whether you are on a yacht, motorboat or a ski, MHYC is your home on the water.

Our direct access to the beach sets MHYC apart. Post-race or post-paddle, the beach becomes the central gathering point where crews, families, and supporters meet. It offers a relaxed, open-air setting that is unique among Sydney yacht clubs.

Key Social Events The social calendar runs year-round, with several major highlights:

- **The Annual Beach Party (February):**
A major event featuring live music and entertainment directly on the beach.
- **Opening Day (September):**
The official start of the season, featuring the traditional Sail Past and the "Front Up Cup".
- **Twilight Sailing:**
During Daylight Saving, the club is a popular destination to end the work week, offering casual sailing and socialising on the deck.
- **Annual Prize Giving (May):**
A formal evening celebrating the season's achievements.
- **20-Year Platinum Members Lunch:**
An annual event recognising the loyalty and support of our long-term members.

SAILABILITY

Sailability: Sailing for Everyone

Sailability Middle Harbour is a vital community program dedicated to ensuring the joy of sailing is accessible to all people.

A joint initiative of the Rotary Clubs of Northbridge and North Sydney, the program is proudly supported by the club and its members.

It breaks down barriers, giving people with disability the opportunity to discover the freedom and confidence that comes with being on the water.

Middle Harbour Yacht Club is the ideal home for this inclusive initiative. Our facilities at The Spit are designed to accommodate everyone, featuring accessible parking, easy wheelchair access to the pontoon, and a personal transfer crane to ensure safe and dignified boarding for those with limited mobility.

The program runs from 9.00 am to 1.00 pm on the second and last Sunday of each month. Our fleet of six Hansa 303 dinghies is specifically designed for stability and safety, allowing a sailor and a volunteer to head out together, with a safety boat always on standby.

This program thrives on community spirit. It brings together volunteers from Rotary, the club, and the public to assist both on and off the water. Being part of this team is a deeply rewarding way to give back and share the sport we love.

If you would like to sail or volunteer, please call Sally O'Neill on **0411 886 539**.

CHARITY & CORPORATE REGATTAS

If you are looking for a suitable venue to host an event which will combine an enjoyable and fun time for guests in a safe yet relaxed environment and at the same time raise money for good causes, then look no further. Your search stops with us!

Middle Harbour Yacht Club is well known as the place to host a Charity Event or Corporate/Industry Day Regatta.

With a primary focus on the social, rather than the 'serious' side of sailing, a regatta organised by MHYC is a great way to enjoy a day out on the water whilst raising money for a worthy cause.

When the sailing is over, make use of the club's excellent facilities and hospitality to hold your presentation and to continue the networking and forging of new partnerships which all help boost the fund-raising effort on the day and in the future.

Charity Event Regattas at MHYC have helped raise thousands of dollars annually for various charities over many years, whilst the dedicated teams of people organising the events raise important funds and promote the causes they so strongly fight for.

The club is vastly experienced in hosting such events and would be delighted to offer as much assistance and advice as you need. Call us on 02 **9969 1244** or email sailing@mhy.com.au to discuss your plans.

CRUISING

The Cruising Division is a vital part of Middle Harbour Yacht Club's heritage and history. While racing is a core part of the club, the Cruising Division caters to those who prefer the freedom of the journey over the adrenaline of the finish line.

Our activities are characterised by a relaxed, family-friendly atmosphere.

Events are non-competitive, often short-handed, and always social. While we typically plan one official on-water event per month, you will find our members out on the harbour most weekends, easily identifiable by the distinctive "Compass Rose" burgee – a white compass rose on a red background flying below the club pennant.

The schedule is diverse, ranging from casual social raft-ups and harbour explorations to long weekends in Pittwater and Port Hacking or beyond. Our annual Christmas cruise takes the fleet further afield to destinations such as Lake Macquarie, Port Stephens, and Batemans Bay.

Whether exploring local bays or embarking on global adventures, the focus is always on good seamanship, great company, and enjoying the water with friends and family.

Off The Water The social heart of the division is our monthly meeting, held at the club on the third Wednesday of each month.

- 6:30 pm: Cook-your-own BBQ.
- 7:30 pm: Meeting and guest speaker.

Our guest speakers cover a mix of interesting and informative topics, from technical advice to accounts of long-distance voyages through Europe, Southeast Asia, and beyond. Even when our members are sailing in far-flung corners of the globe, they stay in touch, allowing friends at home to plot their progress.

Joining the Cruising Division involves a small one-off joining fee in addition to your standard MHYC Club Membership. Members receive:

- Access to all cruising events and raft-ups.
- The monthly Compass Rose publication (delivered via email).
- Access to monthly meetings and BBQ gatherings.

Further details can be found downloaded from the cruising division website.
