1. The responsibility for developing and optimising an annual Sailing Program in keeping with the needs and interests of the Club's sailing membership shall be vested in a Committee titled 'The Sailing Committee'. This Committee shall comprise a Chairman, the Sailing Manager, the Club's Chief Special Regulations Officer, the Club's Principal Race Officer and a Club Member entitled to hold office representing:
  - (i) the Club's Offshore Racing Divisions;
  - (ii) each of the Club's Inshore Racing Divisions;
  - (iii) the Club's Cruising Division;
  - (iv) the Club's Centreboard Division;
  - (v) the Club's Twilight Divisions;
  - (vi) the Club's Wednesday Divisions;

The conduct and control of club racing program shall be vested in the Sailing Manager and for Major Regattas and long races shall be vested in a Special Events Committee which shall comprise a Chairman and the Sailing Manager with additional members having the appropriate knowledge. The Chairman of the Sailing Committee shall be a Flag Officer of MHYC. The Flag Officers' Committee may at its discretion alter, amend or countermand any resolution or action of the above mentioned Committees.
2. Only boats owned by Life, Senior and Full Adult members shall be accepted into the Register of Boats. The Register of Boats owned by members shall be kept and all details deemed necessary shall be kept therein. A boat shall not be registered on the Club's register until launched.
3. Middle Harbour Yacht Club numbers prefixed MH are issued by the Club under the authority of Australian Sailing New South Wales. MH prefixed numbers previously allotted may be reserved for a period of six months in the event of their being temporarily out of use. A boat on the Register of the Club shall only be entitled to one set of numbers issued by or under the authority of Australian Sailing New South Wales, and application for the issue of such numbers shall be made through the Sailing Manager. Boats on the register of Middle Harbour Yacht Club, at the discretion of the owner, may be issued with unprefix or MH (interjoined) prefixed numbers of a size determined by the RRS Appendix G. Where the number includes a prefix or class symbol this shall be part of the number and shall be included on all sails requiring such number.

All boats shall be identified by such a number. On white sails, MH numbers shall be red in colour. On dark coloured sails, MH numbers shall be a contrasting colour. Sail numbers shall comply with RRS Appendix G.
4. In the event of a member selling their boat to another member, joint application shall be made to the Sailing Manager for the transfer of the number where such transfer is desired.
5. In the event of a member selling their boat to a non-member, all Club distinguishing signs, both numbers and burgees, shall be removed from the boat and sails, and the Sailing Manager shall be advised of the sale.
6. All entrants in Club races shall comply with the sailing instructions issued by the Sailing Committee. Boats shall be a monohull and self-righting. A boat's class rules shall apply only when a boat is racing in a class fleet or event.
7. The conduct of races for class boats within the Club shall be under terms and conditions as laid down by the Sailing Committee from time to time.
8. The MHYC Burgee shall be displayed by MHYC yachts at all times whilst competing in a MHYC Event (refer to MHYC NOR 10).

## SAFETY AND EMERGENCY PROCEDURES

**Boats that retire from racing must notify the Race Committee at the earliest opportunity on the designated VHF race frequency or by calling the Sailing Office.**

### RULES & REGULATIONS

To minimise the risks of racing and boating, the 'Person in Charge' and their crew, must be familiar with and obey the Rules and Regulations as described in the current:

- Racing Rules of Sailing (RRS),
- Prescriptions and Special Regulations of Australian Sailing,
- International Regulations for the Prevention of Collision at Sea (IRPCS),
- Marine Safety Act 1998 and Marine Safety (General) Regulations 2009,
- NSW Roads and Maritimes Services regulations that apply to boating on Sydney Harbour,
- MHYC Sailing Handbook.

### BEFORE RACING

The 'Person in Charge' aboard each boat is responsible for ensuring that the boat is properly prepared and that all crew are adequately briefed or trained. The 'Person in Charge' shall:

- Ensure the boat's Safety Equipment Audit Form lodged with the club is current and appropriate for the category of the event in which the boat is racing,
- Ensure that all required Safety Equipment is on board and in good working condition,
- Ensure the crew knows where the Safety and Life Saving Equipment is stowed and how to correctly use it,
- Ensure all crew is briefed on an Incident Management Plan in the event of an incident, including roles and procedures to be followed,
- Ensure all crew is familiar with the boat's Man Over Board (MOB) procedures,
- Ensure appropriately experienced crew is on board to cope with the conditions likely to be experienced,
- Ensure that the boat reports to the Race Committee its intention to start the race.

## INCIDENT AND EMERGENCY MANAGEMENT PLAN

The MHYC Sailing Operations Policy outlines procedures and guidance notes for boats and crew in the event of an incident or emergency. All boats shall have their own Incident Management Plan to deal with minor incidents. For major incidents and emergencies, the following actions should be performed where appropriate:

- **Man Overboard**  
Commence man overboard procedure.  
Recover the man overboard.
- **Injuries**  
Cease racing.  
If the injury occurs on another boat, render assistance if required.  
Determine nature of injury and render first aid.  
Contact emergency services for direction if required and then contact MHYC.  
MHYC emergency marina access point is via Marina Arm B
- **Vessel in Danger**  
Instruct all crew to wear personal flotation devices.  
If the vessel is in immediate danger contact the emergency services.  
Deploy anchor or other safety devices if appropriate.
- **Evacuation Injured Crew**  
Emergency Authority will direct you to an appropriate rendezvous.  
This may be at the nearest available wharf in Sydney Harbour.  
At MHYC, Marina Arm B T-Head is the preferred Emergency Access Point.
- **Vessels Requiring Towing**  
**The MHYC Tenders are not designed, adequately equipped nor staffed to tow boats.**  
Requests for towing are to be directed to NSW Water Police or Marine Rescue NSW or Sea Tow Sydney.

## REPORTING MARINE INCIDENTS

A written report must be forwarded to the MHYC Sailing Office within 24 hours, setting out the particulars regardless of the type of incident.

Where an incident occurs on the water and results in the death of, or injury to, a person; or damage to a vessel in excess of \$5,000, it must be reported to the MHYC Sailing Office *AND* NSW Roads and Maritime Services.

Where an incident occurs on the water between vessels operating under the same aquatic licence and does not result in the death of or injury to, a person; or damage to a vessel in excess of \$5,000; the threshold for reporting the incident is 10% of the value of the damaged boat.

The 'Person in Charge' should be aware that the Racing Rules of Sailing (RRS), only apply between vessels that are racing. All other recreational vessels (including sailing vessels when not racing) are governed by the International Regulations for the Prevention of Collision at Sea.

## **AQUATIC LICENCE CONDITIONS**

### **NSW ROADS AND MARITIME BRIEF**

1. Be safe!
2. Observe NSW collision regulations and in particular rule 1(b) and rule 2(a)(b) ie:
  - Nothing in these Rules shall exonerate any vessel, or the owner, master or crew thereof, from the consequences of any neglect to comply with these Rules or of the neglect of any precaution which may be required by the ordinary practice of seamen, or by the special circumstances of the case.
  - In complying with these Rules due regard shall be had to all dangers of navigation and collision and to any special circumstances, including the limitations of the vessels involved, which may make a departure from these Rules necessary to avoid immediate danger.
  - What this means is that if you're about to be involved in a collision, having stood on or given way in accordance with the Rule; every party involved is responsible in taking avoiding action to prevent a collision.
3. Local Rules require sail craft to keep out of the way of ferries displaying the orange diamond. When necessary give priority to the Ferry. Pass well clear of the ferry.
4. Be mindful of larger ships' bow flare. When closing any vessel, to prevent being overrun ensure you remain within sight of the officer of the watch on the vessel's bridge. Beware of overhanging bows and other parts of ship that might obstruct this line of sight. This means that your vessel may disappear from sight inside 200-400 m from the bows of very large ships.
5. Shipping Sound Signal Meanings:
  - One short blast - I am altering course to starboard (right)
  - Two short blasts - I am altering course to port (left)
  - Three short blasts - I am operating engines astern (stopping)
  - Five (or more) short blasts - I'm unsure of your intentions and I doubt whether you are taking enough avoiding action to avoid collision.

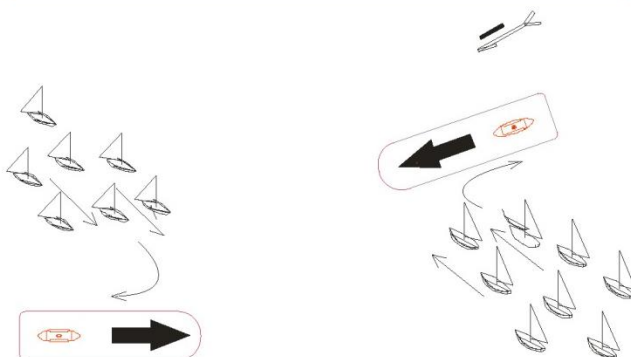

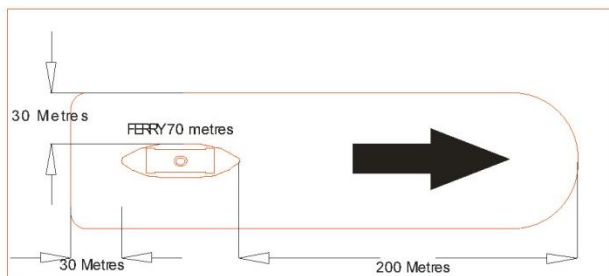

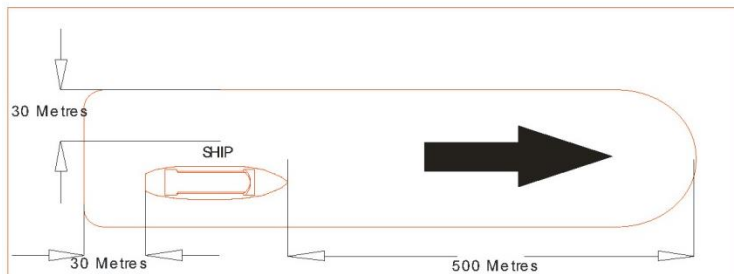

### **ADDITIONAL CONDITIONS – SAILING EVENTS**

6. Vessels are not to navigate between moorings whilst competing.
7. All vessels navigating in the vicinity of the safe water mark, 350m from Bradley's Head, should pass to the North of the buoy when proceeding westward, and should pass to the south of the buoy when proceeding eastward.
8. The Aquatic Licensee must ensure that all competitors receive a briefing in relation to the requirement to keep clear of ships and ferries.

## SHIP & FERRY ACTIVATED EXCLUSION ZONE

1. All competitors must maintain a minimum distance of 500m from the bow of any ship (*ie. Oil Tanker and Seagoing Cruise Ship*) and/or between the Sydney Port escort vessel, 200m from the bow of any ferry (*ie. other seagoing commercial vessels such as the James Craig or a ferry operating in accordance with an approved timetable*) and no less than 30m from the sides/stern of any ship or ferry underway.
2. Participants are to be aware of the requirements listed in the Sydney Ports Steer Clear brochure which may be viewed at the following web address:

[http://www.waterwaysguide.org.au/sites/waterways7/files/download/Steer\\_Clear\\_Flyer\\_2013.pdf](http://www.waterwaysguide.org.au/sites/waterways7/files/download/Steer_Clear_Flyer_2013.pdf)

## MHYC NOTICE OF RACE

### EFFECTIVE FROM 1ST SEPTEMBER, 2018

The organising authority is Middle Harbour Yacht Club (MHYC)

#### 1 RULES

- 1.1 All events for which MHYC is the Organising Authority shall be governed under;
- the rules, as defined in the current Racing Rules of Sailing (RRS)
  - the Special Regulations of Australian Sailing (AS);
  - the Rules of the respective One Design Classes;
  - the current IRC Rules, if applicable;
  - the current ORCi Rules, if applicable;
- 1.2 In the event of a conflict between the rules or regulations, other than RRS, the Notice of Race and Sailing Instructions will prevail.
- 1.3 All MHYC Events are subject to RMS Regulations, The Commercial Vessels Act 1979, the Marine Safety Act 1998, the Marine Safety Regulations 2009 and any MHYC Aquatic Licence issued by RMS.
- 1.4 This NOR may vary certain specific details of the RRS. The variation of any rule applies only to those details actually mentioned herein and in every other respect the RRS hold good and shall be observed.

#### 2 CHANGES TO CLASS RULES AND RACING RULES OF SAILING

- 2.1 The use of powered winches on boats which compete in specific MHYC events may be permitted by the Sailing Committee upon application by that boat. This amends RRS 52.
- 2.2 Any changes made to a boat's hull, engine or propeller, trim or sail area or any other changes likely to result in an improvement in performance shall be notified, in writing, to the Sailing Manager at least 7 days before the race affected by the change.
- 2.3 While racing boats shall not be allowed deck-stowed anchors to protrude outside of the hull limits. Anchors which are stowed as an integral part of the bowsprit and whose shaft is secured within a slot on the bow are permitted. Vessels in current Commercial Survey with anchors over 32kg, where the survey requirement to be able to release the anchor quickly cannot be met by any other means, are excepted.
- 2.4 A boat participating in a MHYC race shall not sail through the start or finish line of another division or another club's race. A boat shall not sail or motor through a MHYC finish line unless it is finishing.
- 2.5 A boat shall comply with the RRS Appendix G, Identification on Sails and MHYC Sailing By-Law 3.
- 2.6 In races or divisions designated non-spinnaker, only a mainsail and headsails as defined in RRS 50.4 shall be used. Headsails shall not be set flying. No sail shall be set forward of a point of attachment of the permanent forestay.
- 2.7 Boats competing in rated or class races must hold a current valid rating or class measurement certificate. Copies of the above certificates must be lodged with the Sailing Office by 1700 hours on the day preceding the boat's first race.
- 2.8 All Boats competing in an IRC Division shall hold a current and valid endorsed certificate. The Certificate rating shall only become effective on the date of submission to the Sailing Office.
- 2.9 IRC Rule 22.4.2 is amended in that it shall not apply for MHYC club events. In the case of Combined Club events, Regattas or Championships the host club's rules shall apply.

- 2.10 The Rules of the Adams 10 Metre Class are amended at the request of the Class such that the use of Mast Head Spinnakers is permitted in their one design or other races conducted by MHYC. These spinnakers shall confirm to the following maximum measurements:

Maximum Luff	13,689mm
Maximum SMV	8,230mm
Maximum length spinnaker pole	3,727mm

- 2.11 For all Inshore Club Racing Events, RRS 50.2 is amended by adding an extra sentence to read: "Fixed and retractable spinnaker poles not attached to the mast shall be permitted for the purpose of setting asymmetrical spinnakers".

### **3 AMENDMENTS TO NOTICE OF RACE OR SAILING INSTRUCTIONS**

- 3.1 The Race Committee (RC) reserves the right to amend this NOR or the specific SI of each event. Any amendment will be made in accordance with RRS 89.2(a) and 90.2(c).
- 3.2 Any change to this NOR or the specific SIs will be posted before 0900 hours on the day it will take effect, except that any change to the schedule of races will be posted by 1800 hours on the day before it will take effect. These timings may be varied at the discretion of the RC or the MHYC Sailing Manager.
- 3.3 The RC may, at its discretion, vary the rules and this NOR if it deems that the entry of a boat in a race or series has the potential to advance the quality of racing in that race or series or contribute to the development of a class or division.

### **4 EVENT MANAGEMENT**

- 4.1 The MHYC Sailing Handbook and its By-Laws, Schedules, Notice of Race and Sailing Instructions are the Notice of Race and Sailing Instructions required under RRS 89.2 and 90.2.
- 4.2 The Race Committee shall be the Sailing Committee of MHYC. The RC shall have the power to co-opt additional members for specific purposes.
- 4.3 For the purpose of this NOR, Event means: any MHYC on water activity for which Sailing Instructions have been published.
- 4.4 The Race Committee may at its absolute discretion form or abandon racing divisions appropriate to the entries received for an event.

### **5 COMBINED CLUB RACES**

- 5.1 In any race which is conducted by another Club as a joint race for both that Club and MHYC, MHYC entrants shall race under the conducting Club's SIs. Any decision affecting that race made by the RC or Protest Committee of the conducting Club shall apply to the MHYC event, unless otherwise decided by the MHYC RC.

### **6 ADVERTISING**

- 6.1 Advertising on a boat shall comply with the requirements of World Sailing Regulation 20 (Advertising Code).
- 6.2 When required by the SIs, a boat shall display the event sponsor's name, logo or backstay flag in accordance with World Sailing Regulation 20.4.1.
- 6.3 The RC reserves the right to reject or cancel the entry of any boat (RRS 76.1) displaying advertising or sponsorship which is in conflict with the club's objectives or those of its sponsors or supporters.

  - (e) have lodged evidence of current and valid marine legal liability cover with MHYC of no less than AUD \$10,000,000 by way of a certificate of currency or policy document copy. It shall be the responsibility of the boat to maintain current and valid cover for the period of the event in which it is an entry and to lodge evidence with MHYC when the cover is renewed or changed.
  - (f) have provided evidence that all regular crew sailing on board are bona fide members of either MHYC, an alternative Yacht Club affiliated with AS or another World Sailing Member National Authority. Attention is drawn to RRS 46 and the AS Prescriptions.

**21 HANDICAPS**

- 21.1 For races other than Pursuit Handicap races, boats will be assigned an arbitrary handicap being a Time Correction Factor (TCF). A boat's elapsed time shall be multiplied by its TCF to obtain its corrected time for the race. A boat's corrected time shall be used to determine its place and after imposition of percentage penalties, if any, the boat with the lowest place shall be the winner. In determining an arbitrary handicap for a boat in its initial race or its first race in a new pointscore series, the RC may seek the assistance of the appropriate Divisional Representative or outside parties.
- 21.2 The RC shall document and use a consistent method to determine the handicapping during a series. The selection of the reference boat(s) and the maximum shift in TCF's shall remain constant for the series.
- 21.3 The RC may at its absolute discretion review any boat's arbitrary handicap where they are of the opinion that due to anomaly, error or circumstance, the handicap is deemed unfair or unreasonable.
- 21.4 A boat may not seek redress in respect of the assignment of handicaps. This amends RRS 62.1(a).

**22 PURSUIT HANDICAP RACES**

- 22.1 For Pursuit Handicap races, the following applies unless otherwise stated in the SIs for the event.

- 22.4 A boat is racing from her Preparatory Signal which is 4 minutes before her allocated Start Number.
- 22.5 A boat not racing shall stay well clear of the Start Line. Attention is drawn to RRS 24.

- 22.6 Boats are advised that the RC may not record a boat that starts more than 5 minutes after her Start number as starting. This amends RRS 63.1.
- 22.7 There will be no recalls. A boat recorded as OCS will be penalised 5 minutes plus the difference between her nominated start time and actual start time. This amends RRS 29.1.
- 22.8 Boats will be scored in the order of crossing the finishing line, including any penalties incurred under NOR 22.6 & 22.7 and NOR 16 & 17 (if applicable).
- 22.9 The RC may, at its absolute discretion, review any boat's arbitrary handicap where it is of the opinion that due to anomaly, error or circumstance, the handicap is deemed unfair or unreasonable.

- 25.4 Points may be awarded at the next Sailing Committee meeting and shall be the average of points over the entire series in which the average points are awarded.
- 25.5 The calculation of average points will not include races where a redress of average points has already been awarded. The next point score race will be used. Average points will be rounded to one decimal place.

## **26 RUBBISH**

They need to be ready to depart the marina two hours before the scheduled start time and will normally return by 1630 (although this can vary depending on the conditions). They should be adequately prepared for a day on the water. A light lunch and drinks will be provided.

- 27.4 A boat that is unable to compete in a scheduled Pointscore Race due to a crew member assisting with Race Management duties under the Race Management Scheme NOR 28 shall be entitled to apply to the Sailing Committee for average points. The application shall be lodged no later than two days prior to the event and supported by the boat's Divisional Representative. If awarded, average points shall be for the whole series in which she is an entrant.
- 27.5 A boat that fails to provide a member of their regular crew capable of performing the tasks expected or failure of the crew to arrive in time or adequately prepared is a breach of NOR 27.1 and shall result in the boat being issued a 45% scoring penalty in that day's race or the next race in which the boat competes. This amends RRS 63.1.
- 28 MEDIA RIGHTS**
- 28.1 By participating in an MHYC event, competitors automatically grant to the Club and its sponsors, the right in perpetuity to make, use and show, from time to time at their discretion, any still or motion pictures and live, taped or filmed television and other reproductions of the competitor during the period of the event without compensation.

## THURSDAY TWILIGHT NON-SPINNAKER SERIES

### SAILING INSTRUCTIONS

#### SPECIAL NOTICE TO COMPETITORS

*The MHYC Sailing Committee requests Members' co-operation in ensuring that MHYC boats diligently observe the applicable Navigation Legislation, the Club's Notice of Race and these Sailing Instructions during Twilight racing. In particular the Person in Charge must ensure that a proper lookout is maintained throughout the event and that the conduct of their boat in relation to ferries and commercial shipping and particularly in the enclosed water of Lower Middle Harbour is consistent with the exemplary standards expected by the Club.*

*The Notice of Race and Sailing Instructions will be applied diligently during the Twilight Series and the Sailing Committee may deploy an on water observer to monitor the behaviour of boats. Boats breaching these will be penalised as appropriate and repeat offenders may have action taken against them by the Sailing Committee. Members are reminded of the Club's right to reject an entry or take action under the Racing Rules of Sailing in the event of gross misconduct or poor sportsmanship.*

*Competitors are reminded that the waters between the southern end of Clontarf Beach and Spit Bridge are designated as a navigation channel and that boats (racing and packing up) are to comply with their obligations under Collision Regulations towards non-racing vessels using the channel. It is recommended that as a boat approaches the finish line, a crew member be sent to the bow as lookout.*

## MHYC MAJOR REGATTAS

In addition to its busy club racing program and regularly hosting class championships and regattas, Middle Harbour Yacht Club hosts a number of regattas which are integral to the fabric of sailing in Sydney.

Celebrating its 40th Anniversary in 2018, the **Sydney Short Ocean Racing Championships** continue to meet the constant evolution of yacht racing. Always an innovative event, the Regatta has played a significant role in the transition from the IOR to IMS and then to the IRC rating rules used to handicap ocean racing. It has also been the major local regatta of the year for one-design classes. For many yacht owners and their crews, this two day regatta sailed over tight courses off Sydney's Heads is vital to their preparations for the Rolex Sydney Hobart Yacht Race and Pittwater to Paradise Regatta.

The **Sydney Harbour Regatta**, now in its fourteenth year, is the largest keelboat regatta in Sydney. Originally established as the lead event for Sydney Harbour Week, to celebrate our harbour's diversity, the Sydney Harbour Regatta has rightly earned its reputation as Sydney's 'Sailing Spectacular', providing a perfect opportunity to display to spectators the thrill and excitement that our sport offers with racing inshore and offshore on up to eight course areas.

The inaugural **MHYC Women's Regatta** was held in May 2018. Open Keelboat divisions are contested by yachts with all female crews and mixed crews with a female helm, while One Design divisions sail with mixed crews and a female helm. Two short windward-leeward races are followed by a passage race and a relaxed presentation ceremony at the club.

MHYC will host the following Major Regattas in 2018-2019:

## MHYC CHARITY & CORPORATE EVENTS

Middle Harbour Yacht Club is the ideal venue to host a Charity Event or Corporate/Industry Day Regatta, for fun, social racing and pre and post regatta activities in the clubhouse and on the beach.

A MHYC Regatta is a great way to enjoy a day out on the water whilst raising money for a worthy cause, or providing a very special platform for networking with colleagues and clients.

Charity Regattas at MHYC have helped to raise over \$1,000,000 each year over many years for various charities. If you would like to take part as a sponsor, by entering a team, or to donate the use of your boat to help raise funds for a worthy cause, please contact MHYC Sailing Office for more information.

## MHYC CRUISING DIVISION

MHYC is home to a thriving Cruising Division formed by MHYC members who recognised the need for non-competitive “cruising” activities. Whilst formally organised, with a committee and regular meeting nights, we welcome any sailing member of the club to attend, as well as non-members who are keen on joining the club.

Our aim is to:

- Encourage and support both existing and new club members to undertake cruising activities in their yachts
- Encourage competent and safe seamanship amongst our members
- Organise and undertake cruises in company, be they single day, weekend or longer cruises further afield
- Organise and hold informative meetings of interest to those wishing to cruise, and those wishing to expand their knowledge of cruising
- Organise and hold education sessions on cruising topics where necessary, or locate and support suitable education courses held by other bodies
- Organise and hold social occasions to bring together the Middle Harbour Yacht Club cruising fraternity
- Where practical, link with and encourage other cruisers outside of MHYC and encourage yacht cruising overall

We regard cruising to consist of any on-water yachting activity outside of a formally organised race. Cruising activities are usually characterised as more relaxed, family friendly, non-competitive, often short-handed and usually more social activities.

The Cruising Division logo - a white compass rose on a red pennant - can be seen on many yachts cruising Sydney's waterways on the weekends - frequently sailing in company, socialising with fellow cruising division members or gathering in the now well known "Cruising Division Raft-ups".

The Division's "Compass Rose" magazine is published monthly to maintain communication between members. It is distributed to members of MHYC who are also members of the Cruising Division. A copy of the Compass Rose is also available on the club's web site for a wider readership.

The spirit of the Cruising Division has never strayed far from the basic principles of cruising which include sound seamanship, common-sense and a mannerly approach to sailing.

**The Nigel Holman Memorial Trophy** This Trophy was struck by the many MHYC members and friends of the late Nigel Holman, who sadly died after a long illness in November 2007.

Nigel was a member of Middle Harbour Yacht Club for over 23 years and was a keen offshore yachtsman. His various yachts, all but one named "Cuckoos Nest" carried the sail number MYC2 this reflected his membership at Manly Yacht Club, adjacent to his home in Manly. A regular and successful entrant in the major East Coast Offshore Races, Nigel was also an enthusiastic club and twilight sailor. Nigel's yacht "Cuckoos Nest" won the Cruising Yacht Club of Australia's Tattersall's Cup for Overall Winner on Corrected Time in the 49<sup>th</sup> Sydney to Hobart Yacht Race. It is in this spirit, that this Trophy is to be presented annually to the best placed yacht representing MHYC in the Tattersall's Cup in the annual Cruising Yacht Club of Australia, Sydney to Hobart Yacht Race.

**Ocean Pointscore Trophy** presented in 2009 by Pauline and Andrew Dally for annual competition in the Ocean Pointscore Series. Awarded to the winning boat in the Performance Handicap Series.

**The Premiers Cup** presented annually to the winning yacht in the Club's IRC Inshore Annual Pointscore. **The John Eyles Trophy** - This Trophy was originally won by the yacht "Fujitsu Dealers" John Eyles, as First Place in IMS Division III in the 1990 Sydney to Hobart Yacht Race. John was a long time MHYC Member and campaigned the yacht from MHYC. In 2007 John granted the Trophy to MHYC as a token of appreciation. The Club dedicated the Trophy to the Winning Yacht in the Open Division PHS Annual Pointscore.

**The Asiatici Trust Trophy** - This Trophy was originally awarded by the Asiatici Trust Company Ltd for annual competition in the Sydney to Vanuatu Yacht Race in the I.O.R. Division. The Trophy was first won in 1984 by Spirit of Vanuatu and again in 1986 by Ruff 'N Tumble, MHYC. The Vanuatu Race lapsed and the Trophy was held in Trust for many years by Middle Harbour Yacht Club on behalf of Lindsay Rose, owner of Ruff 'N Tumble, who, in conjunction with John Walsh had restored the Trophy after it was damaged in the Cyclone that ravaged Vanuatu in 1986. In 2006 Lindsay Rose granted the Trophy in Perpetuity to MHYC to be awarded for Annual Competition in the Adams 10 Class PHS Annual Pointscore.
