Attachment B

2020 World Championship Qualification

It is understood there is considerable interest from J24 members to participate in the 2020 World Championships in Poole UK. The J24 National Committee wishes to clarify the process for allowing nominations for selection to this event.

The J24 National Committee will use the 2020 Australian Championships to determine the eligibility for selection to the 2020 World J24 Championships. The J24 National Committee has sought approval from the IJCA Executive Committee to hold this qualifying event more than 120 days before the date of the World Championships.

In accordance with IJCA Regatta Regulations, for World Championships, helmspersons must be nominated by their NJCA and be registered members of the NJCA of the country they represent. The National Committee has determined Australia is entitled to 6 places at the World Championships. Additional spaces are available for one all-female crew and one for an under 25 years crew.

The qualifying helmsperson is the person who starts, finishes and steers in all races in the qualifying event.

Invitations to participate in the World Championships, will be provided to the helmspersons of the first six scratch placings in the Australian Championships. If the nominated helmsperson is unable to attend the World Championships, the qualification place will be passed to the next helmsperson until all six nominations are filled.

The National Committee will use its discretion should an all-female and/or under 25 year crew wishes to be nominated for selection.
