

Return to COVIDSafe Sailing Update

6 January 2021

Information for Competitors

Recreational boating is permitted under the NSW Government Public Health Orders, however these may be reversed if boaters are seen to be disregarding the requirements for social distancing or clubs become a significant source of transmission.

MHYC is pleased to be able to continue sailing, but COVID-19 is still with us and the way we sail needs to adapt. We are all obliged to work together to fight the transmission of the virus, so the club has introduced some new requirements for racing.

At Home

- Any tasks that can be done at home, should be done at home (e.g. debriefing etc)
- It is strongly recommended that all sailors download the Australian Government COVID -19 contact tracing app (COVIDSafe) and keep it active at all times
- It is also recommended that sailors be tested for COVID-19
- If you are a person with high risk of COVID-19, or have symptoms of the Virus (even if mild), stay at home

Before Racing

- To provide for possible tracing, all competing boats are required to register all their crew details (Crew Name and AS Number or SailPass Number) via the Top Yacht link on the MHYC website before each race. The penalty for not registering before the finish time of the last boat is disqualification from the race. To register online – [click here](#).
- All persons attending MHYC, including registered crew, must sign-in using the QR Code.

Ashore

While we are all missing the usual social atmosphere of our club, the number of patrons permitted in the Harbourview remains limited. Race prizes can be collected from reception after the winners have been announced. The “new normal” for sailing at MHYC and other NSW clubs is **GET IN, SAIL & GET OUT.....**

- Arrive dressed and ready to sail
- Minimise the use of change rooms, bathrooms and communal areas
- Shower at home instead of at the club if possible
- The 4m² rule applies indoors and the 2m² rule applies outdoors
- Sailors should maintain at least 1.5m distance wherever possible
- Avoid congregating at the SandBar, in the breezeway, on walkways and on the beach
- Hand hygiene stations are available at a number of locations
- Wearing of face masks is recommended

Afloat

- Sailors should maintain at least 1.5m distance apart where practicable whilst not engaged in competition or training
- No unnecessary body contact (e.g. hand shaking, high fives)
- No sharing of drink bottles, clothing, food and towels etc.
- Avoid sharing of equipment – bring your own lifejacket, gloves etc.

Remember – Everyone participates at their own risk
