- 6 days racing 13th-19th August 2021
- “Merit V60 Race Team” shirt and cap
- Lunch and snacks on race days

### The Event

The Airlie Beach Race Week is recognised in Australia and internationally as one of the country's most exciting and vibrant week of sailing as a lead into the Hamilton Race Week. The event itself is a combination of 6 days of exciting and competitive offshore racing whilst proving the relaxed holiday atmosphere of the Whitsundays mixed with seven nights of socialising and entertainment. All set to the backdrop of the spectacular Whitsunday coast and islands.

### The Yacht - Volvo 60 “Merit”

The Volvo 60, “Merit”, is a true champion thoroughbred racing yacht. Having competed in many of the world's most prestigious and challenging ocean races, she's built for speed. Merit underwent a full rebuild after some damage sustained in Cyclone Debbie. The work included fully a new barrier coat, new hull and deck paint, Keel off, rudder off and shaft out. Rig out, new swept back spreader, new sheave boxes, new standing rigging, new mainsail and new B&G electronics system. All only used for two Hamilton Island campaigns. With no expense spared the total rebuild cost in excess of \$250k. In addition Merit will get new antifoul and some running rigging replaced to ensure she is as fast and competitive as possible for the Airlie Beach Race Week.

**Price: ~~\$3195~~ - \$2695\***

**\*For the First 6 Crew to sign up - get in quick to save \$500**
